DJ KODH

HipHop DJ - France

Like a real samurai **KODH** took titles as the first ever **DMC Battle** for world supremacy world champion, he won twice the ITF French advancement title 2001/2002, and get a bunch of 2nd places on dmc or ITF world finals.

He had also get the respect from his elders and a notoriety near the turntablism aficionados. He played with a lot of world respected artists such as, Shortkut, Rhettmatic, Melo-d, P-trix, Lootpack, Mr Len, Visionnaires, ... and was one of the first european **All-star beat-down DJ**. Devoted soul and body to the music; this later always try to push up his limits and to move forward the deejaying and the turntablism.

Not only does **KODH** perform in the battle scene without no equivalent also he signs original hip hop mixes on radios, parties, mixtapes with a fresh and clean technique and selection. Working on production with his crew **Audiomicid**, they basically sign best of the best type of battle records and French mixtapes.

Perpetually looking for a new sound, this artist try to touch a lot of different music. His compositions are rich and colored by soul, funk, jazz, electro, rock or even drum n bass. The latest work is Qross Point, this is his first solo break beat which is going to be one of the hit of the year 2002/2003.

His instruments : ... imagination ... some dope records ... and of course 2 sl1200 mk2 !! Beyond this set, which is his favourite, **KODH** uses computers, samplers, but also piano or other instruments.

If he tries to entertaine people making'em dancing or taking'em to others areas thanks to his skills, **KODH** also likes to give his love for hip hop and a part of his knowledge in his skretch lessons. He teaches the basics of this art : Skretch, cuts, juggles and history of hip-hop.

This 21 young talented man doesn't have finished to make talk about him... keep yours eyes well open !!!
